Remember . . . your estate can be handled as you wish *only* if your will makes legal provisions for it to be handled that way! Often, an estate can't be administered as its owner wished because a proper will is lacking. We'll be very glad to work with you and your attorney to set up a plan that will assure *your* estate's being administered the way *you* want. That's a comfort to you, and a protection for your family. Come in and see one of our trust officers any time.
